ARTICLE III: IMPASSE PROCEDURES

Impasse procedure shall be set out as in Section 20.19 of the current Code of Iowa and the relating Sections in regard to impasse.

ARTICLE IV: GRIEVANCE PROCEDURE

A. Definition

A grievance shall mean that there has been an alleged violation, misinterpretation or misapplication of the provisions of this agreement.

B. Purpose

1. This agreement shall give all covered employees the right to present grievances in accordance with indicated procedures. In the occurrence of a common or repeated grievance by several employees, a collective grievance shall be signed by the president of the Association or chairman of Rights Committee, who shall be responsible therefore.
2. The failure of a grievant or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal. Failure of an administrator to follow the time limits shall permit the grievance to proceed to the next step.
3. Investigation, handling, or processing of any grievance by the grievant shall be conducted so as to result in no interference or interruption of the instructional program and work activities of the grievant, certified staff, or the school administration.
4. Proceedings will be kept informal and as confidential as may be appropriate at any level of the procedure.

C. Procedure

1. First Step:

An attempt shall be made to resolve any grievance in informal, verbal discussion between complainant and his/her principal. The grievant shall, upon request, be represented by the Association at all steps. (See sample form last page.)

2. Second Step:

If the grievance cannot be resolved informally, the aggrieved employee shall file the grievance in writing. The written grievance shall state the nature of the grievance, shall note the specific clause or clauses of the grievance, and shall state the remedy requested. The filing of the formal written grievance at the second step must be within ten (10) school days from the date of occurrence of the event giving rise to the grievance.

Within five (5) school days of the filing of the formal written grievance, the principal and the grievant shall meet at a mutually agreeable time to discuss the matter. The principal shall make a decision on the grievance and communicate such in writing to the grievant, the superintendent, and the VBEA Rights chairperson within ten (10) school days of the second step grievance meeting.

3. Third Step:

If the grievance has not been satisfactorily resolved at the second step, the grievant shall file, within five (5) school days of the receipt of the principal's written decision, a copy of the grievance with the superintendent. Within five (5) school days of receipt of the written grievance, the grievant and the superintendent, or a designee of the superintendent, shall meet to resolve the grievance. The superintendent or designee shall make a decision on the grievance and communicate such in writing to the grievant and the VBEA Rights chairperson within ten (10) school days of the third step grievance meeting.

4. Fourth Step:

If the grievance is not resolved satisfactorily at Step 3, a fourth step or impartial binding arbitration is available. The Association may submit in writing to the superintendent within thirty (30) days from receipt of the Step 3 answer a request for arbitration on behalf of the Association and the grieving employee. Arbitration shall proceed as follows:

Within ten (10) days after such written notice of submission to arbitration, the Superintendent and Association may attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the 10-day period, a request for a list of arbitrators shall be made to the PER Board by either party.

The arbitrator so selected shall confer with representatives of the Board and the Association. Hearings shall be held promptly and a decision issued not later than thirty (30) days from the date of the close of the hearing. If hearings have been waived, a decision will be issued within thirty (30) days from the date final statements and proofs on the issues were submitted to the arbitrator. The decision of the arbitrator shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall not amend, modify, nullify, ignore, or add to the provisions of the agreement. The authority of the arbitrator shall be strictly limited to deciding only the issues presented in writing by the Board and the Association.

Decision must be based solely and only upon interpretation of the meaning or application of the expressed relevant language of the agreement.

Expenses for the arbitration services shall be borne equally by the Board and the Association.

5. If both parties agree, the procedural time schedule for processing a grievance can be waived at any point of any step.

D. Year-End Grievance

In the event a grievance is filed that cannot be processed through all the steps of the grievance procedure by the end of the school year, and if unresolved could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter.

The following provisions are not retroactive. All employees will be credited with currently approved hours:

1. The B.A. Schedule shall apply to all employees holding a Provisional, Educational, or Permanent Teaching Certificate and possessing a Baccalaureate Degree from an accredited college or university.
2. Graduate semester credit hours in the academic teaching field approved by the superintendent prior to course enrollment shall apply to all salary lanes beyond the B.A. Such prior approval shall be valid only for a six month period. Only a valid transcript is acceptable evidence of successfully completed course work.
3. Employees shall notify the Superintendent when pursuing degrees which will lead to salary schedule advancement.
4. All hours of employees holding a Provisional, Educational or Permanent Teaching Certificate and possessing a Master's Degree in any educational area from an accredited college or university shall be evaluated by the superintendent for a salary schedule placement. Credited hours shall be eligible for approval by the Iowa Board of Educational Examiners for licensure. No employee possessing a Master's Degree shall be placed in a salary lane less than the M.A.

B. Advancement on the Salary Schedule

1. Horizontal advancement on the salary schedule to the next salary lane will be allowed if the teacher presents evidence that approved classes were completed prior to the beginning of the school year. Actual payment will not begin until official transcripts are presented to the board secretary.
2. Any teacher remaining at the highest step of the BA lane for more than two additional years effective 1991-92 shall be frozen at that second year salary until horizontal movement is obtained through educational advancement.

C. Prior Teaching Experience

Prior teaching experience will be evaluated by the superintendent who will recommend schedule placement to be approved by the Board of Directors. The Board reserves the right to give additional credit if it deems necessary or appropriate in case of special need as determined by the Board. Ninety (90) or more teaching days in a single contractual year all in the Van Buren Community School District equals one year of experience.

D. Base Salary Index

For the school year 2007-2008, the base salary shall be \$24,000. Index factors shall be .045 horizontal and .045 vertical.

Career increments will apply to those employees who will remain at the top of the salary schedule.

Any district-received money under Phase I or Phase II (HF 499) shall be included in the calculation of the base salary and shall not be in addition to the base salary.

E. Method of Payment

1. Regular payment shall occur on the 20th of each month.
2. When a paydate falls on a non-work day, a school holiday, or on a Saturday or Sunday, the employees shall receive their paychecks on the last previous working day.

F. Reduction in HF 499 Funding

Any reduction of revenue provided by the state as a result of Phase I or Phase II (HF 499) shall result in an equivalent dollar for dollar reduction on a pro-rated full-time equivalent teacher basis. The base salary adjustment, if necessary, will be made as nearly as possible in equal reductions of the remaining payments of the teacher's contractual year.

ARTICLE VII: DUES - DEDUCTIONS

A. Authorization

1. Any employee who is or desires to become a member of the Association will be issued an authorization card by the Association. The Association is responsible for informing employees, distributing cards and returning the signed authorization cards to the Board Secretary authorizing payroll deduction of professional dues. The Association shall provide the Board Secretary with a list of members and monthly amounts to be deducted for the entire ten (10) month deduction.

B. Regular Deduction

Pursuant to a deduction authorization, the Board shall deduct monthly one-tenth (1/10) of the total dues from the regular salary check of the employee beginning in September and ending in June of each year. All employees who participate in dues deduction agree to use the same deduction plan which shall be filed with the Board Secretary not later than September 10 of each year. The Board shall not be required to deduct special assessments or any political action committee dues.

C. Duration

Authorization for dues deductions shall continue in effect from year to year unless revoked by thirty (30) days written notices to the Board and to the Association. Upon termination of any employee, authorization for dues deduction shall automatically end with the employee's final paycheck.

D. Indemnification

The Association agrees to indemnify and hold harmless the Board, each individual Board member and all administrators against any and all claims, costs, suits or other forms of liability and all court costs arising out of the application of the provisions in the agreement between the parties for dues deductions.

E. Cost

1. The Association will pay \$50.00 annually for secretarial cost incurred in payroll deduction for professional dues.

ARTICLE VIII: TRANSFER PROCEDURES

A. Voluntary Transfers

1. Definition:

The movement of an employee to a different building, grade level, subject discipline shall be considered a transfer.

2. Notification of Vacancies

a. Date: The superintendent shall deliver to the Association secretary a list of the vacancies which occur during the school year and for the following year upon Board determination that such vacancies exist.

b. Filing Requests: Employees who desire a transfer to another building may file a written statement of such desire with the superintendent. Such statement shall include the grade and/or subject to which the employee desires to be transferred in order of preference. Such requests for transfers for the following year shall be submitted not later than April 15, or December 1 for the second (2nd) semester. For Board determined vacancies occurring after December 1 and April 15, the superintendent shall notify the VBEA president within ten (10) school days.

3. Procedure

In the determination of requests for voluntary reassignment and/or transfer, the wishes of the individual employee shall be honored to the extent that the transfer does not conflict with the instructional requirements of the school system. No such request shall be denied arbitrarily, capriciously, or without basis in fact. If an employee's request for transfer has been denied, a renewed and subsequent request the following school year will be considered under the conditions described, unless there is no available position to which the employee can be transferred.

If more than one employee has applied for the same position, the Board will give consideration to certification, advanced preparation, performance evaluation and, lastly, seniority. Present employees shall be first considered by the Board. The Board shall then consider all the available candidates for the position.

B. Involuntary Transfers

1. Definition:

The movement of an employee to a different building, grade level, subject discipline, shall be considered a transfer.

2. Use of Voluntary Requests

Voluntary requests for available positions will be considered before an involuntary transfer is completed.

3. Notice

Notice of an involuntary transfer shall be given in writing to the employee involved as soon as practical and in no case later than April 15, unless an emergency arises as determined by the administration.

4. Procedure

An involuntary transfer will be made only to prevent undue disruption of the instructional program or to assist in the operational requirements of the school system, in the opinion of the administration.

ARTICLE IX: PROCEDURES FOR STAFF REDUCTION

In the event the Board determines that it is necessary to have a reduction in staff, the Board shall attempt to accomplish such by attrition. In the event that necessary staff reduction cannot be accomplished by attrition, the following procedures shall be followed:

A. Order of Reduction

1. Specially Funded Programs: Employees whose positions are dependent upon district receipt of special funds (Title I and other funded programs) shall be a category for reduction unto themselves. Each special funding group shall make a category. If funding reductions occur or staff reduction is deemed necessary, such reduction shall occur when the reduction need is determined and within the category and according to Section B. Contracts of employees engaged in fully funded programs shall indicate contracts are dependent upon receipt of special funding. Provisions of Chapter 279 of the Iowa Code shall apply; however, should the funds not be verified by the pertinent dates as provided for in Chapter 279, the administration is required to undertake termination proceedings. In the event funds are provided and are verified by the administration, termination proceedings will be withdrawn and held null and void, save and except other valid reasons for termination not in any way connected with funding.
2. Regularly Funded Programs: Employees whose positions are funded through regular funding procedures shall be grouped for staff reduction purposes into the following categories: Grades K-6; Grades 7-12; Grades K-12 Special Teachers (P.E., Music, Art). If reduction is deemed necessary by the administration, such reduction shall occur according to Section B within the above named categories.

B. Given the necessity to maintain the most competent and qualified staff available, the Board, in determining which employees are to be reduced, may consider:

1. The need to maintain the programs of the district.
2. Certification.
3. Performance evaluation.
4. If the above considerations are equal among affected employees, the least senior employee will be reduced.

C. Seniority Defined

Seniority means an employee's length of full-time continuous service with the district since the employee's last semester of hire. A part-time teacher shall accrue seniority on a pro-rata basis.

Once the decision identifying the teacher(s) to be reduced has been made, the parties shall follow the procedures spelled out in Sections 279 of the Iowa Code.

D. Recall

Reduced employees shall advise the superintendent of their current addresses and other employment during layoff. Reduced employees shall have recall rights and shall be recalled in inverse order of termination for one year to any position which becomes available with the category from which the employee was reduced, or to a position where the employee is certified and qualified. Employees reduced within 30 days of each other shall be considered to have the same termination date, and the Board shall use the criteria in section B in determining the order of recall. If one (1) year has elapsed since their reduction, reduced employees have no recall rights. If an employee fails to notify the superintendent of a change of address or fails within ten (10) days of receipt of notice of recall to advise the superintendent of desire and availability to return to work, individual recall rights shall terminate. Specially funded employees shall have equal recall rights with regularly funded employees. If a reduced employee is recalled for any certified teaching duties with the district and refuses the same, then all recall rights are no longer in effect.

ARTICLE X: EVALUATION PROCEDURES

A. Notification-Assigned Employees

Within four (4) weeks after the beginning of each school term, the building principal or appropriate supervisor shall notify each employee under their supervision that they will be evaluated and will advise such employee as to which designated supervisors will observe and evaluate their performance. 3. The employee and the evaluator will jointly set a date to confer within ten (10) school days following the evaluation. The evaluation will be signed by both parties concluding the follow-up conference. The employee may comment on the evaluation form regarding evaluation material, which is placed in the employee's file. Such notations will become part of the employee's file.
4. Employees may have the right to inspect their personnel file every 30 days or more regularly, as the employee and the administrator may agree, so as to be current with all evaluations made.
5. Employees receiving a general rating "FAILS TO MEET STATE STANDARDS" on their evaluation shall be put on "intensive assistance."
6. If following intensive assistance, re-evaluation results do not meet state standards the employee may be dismissed. Remediation shall not be required for coaching positions.

C. Grievance

Employees have the right to grieve all formal written evaluations and written observations where criteria has been misapplied or ignored.

Second year -----	11 Days
Third year -----	12 Days
Fourth year -----	13 Days
Fifth year - -----	14 Days
Sixth year - -----	15 Days

2. The above amounts shall apply only to consecutive years of employment in the district.
3. Unused portion of sick leave is cumulative to a total of one hundred and five (105) days.

Any teacher having accumulated less than one hundred and five (105) days of unused sick leave and having made contributions to the sick bank shall be allowed to withdraw all unused contributed sick bank days and add such days to their accumulated sick leave.

Any teacher now having more than one hundred and five (105) days of accumulated sick leave shall retain the amount accumulated plus any contributed sick bank days. No additional leave days shall be added until the accumulated total falls below one hundred and five (105) days at the beginning of the school year.

All teachers will be credited with appropriate new sick leave upon performance of their first new contractual duty day. New credited leave shall not bring the accumulated total to more than one hundred and five (105) days.

4. Any amounts due an employee under this Article shall be reduced by benefits payable under Section 85.33 and 85.34, Subsection 1, of the State Code of Iowa.
5. The school administration may require such evidence as is reasonable, in the view of the administration, to establish or confirm illness.

6. Employees shall receive written accounting of sick leave days accumulated at the beginning of each school year.

B. Extended Leave of Absence

1. An employee who is unable to work during the contract year because of serious personal illness and who has exhausted all sick leave available may be granted a leave of absence without pay. The leave of absence shall be for the duration of the illness or the teaching contract, whichever is shortest. The leave may be renewed each year upon written request of the employee and approval by the board.
2. The Board agrees to make available all fringe benefits provided by this agreement for the duration of said leave at the expense of the employee, and provided that the insurer agreement contains such coverage.
3. Active re-employment is to be in the available position for which the employee is best qualified upon return to duty, in the opinion of the administration. Re-employment shall be at the same step on the salary schedule.
4. Extended leave of absence time does not add to seniority.

C. Temporary Leaves of Absence

1. Employees may be entitled to the following temporary non-accumulative leaves of absence:

a. Personal Business:

Employees shall be granted up to two (2) days of personal business leave per year to be used for any purpose at the discretion of the employee. Such leave shall be used in minimal increments of a half day. An employee planning to use personal business leave shall request such leave at least three (3) days in advance except in case of emergency. Personal leave shall be paid leave. No more than three (3) employees will be granted personal leave from any one building on a given day. The employees shall be compensated per diem at the rate of pay for substitute teachers for all unused personal business days at the end of the school year.

b. Emergency Leave:

Up to a total of four (4) days leave may be granted each school year in cases of a sudden unexpected occurrence or demanding immediate attention (at the discretion of the administration). Emergency leave shall be paid leave.

c. Jury and Legal:

Any employee called for jury duty during school hours or subpoenaed in any judicial proceeding shall be provided such time. Such leave granted shall be paid leave. Compensation received by a teacher for jury duty shall be provided to the district for time missed on a day for day basis.

d. Association:

Representatives of the Association may be allowed up to a cumulative total of 12 days to attend Delegate Assembly of the Iowa State Education Association. Some portion of the 12 days shall also be used to attend third party contractual proceedings if such proceedings are held on the regular school work day. The Association agrees to pay the cost of a substitute if a substitute is required. Representatives attending Delegate Assembly shall address a leave request to the board a month in advance of the convention date. A portion of the cumulative total of 12 days may also be used for other Association business. Leave usage other than Delegate Assembly requires only a 5 day advance request. Teachers granted Association leave shall be paid for contractual days. Association leave shall be in increments of at least a half day.

e. Professional Leave:

Employees shall make written request to the board or administration well in advance of the desired leave date. The request should include all information sought on the leave request form provided. When approved in advance, the Board agrees to pay the cost of substitute, if required, and additional reimbursement costs approved on the leave request form. Professional leave should result in improved teaching or increased teacher resources. Professional leave, if granted, will be paid leave if taken during a regular contracted day.

f. Bereavement:

Up to five (5) days of leave per school year shall be granted in the event of death of an employee's spouse, child, son-in-law, brother, sister, brother-in-law, daughter-in-law, parent, grandmother, grandfather, spouse's grandmother, spouse's grandfather, grandchild, father-in-law, mother-in-law, sister-in-law, aunts, uncles (the foregoing categories include spouses, step and foster relationships of those individuals listed) and any other member of the immediate household. One (1) of the five days will be granted for friends or family not included in the above list. Such granted leave will be paid leave.

g. Unpaid leave:

Other temporary leaves of absence, without pay, may be granted in writing by the Superintendent or his/her designee.

h. Immediate Family Illness Leave:

In the case of illness of the spouse, children, mother, father, or any person living in the household with the employee, the employee shall be granted paid leave for up to five (5) days per school year which will be deducted from the employee's accumulated sick leave. Family illness leave is non accumulative.

Routine non emergency medical or dental care is not included.

D. Extended Leaves:

1. Educational Improvement:

Upon application, a leave of absence without pay up to one (1) year may be granted to any employee for study reasonably related to in-district professional responsibilities. Such study shall be at an accredited college or university. Educational improvement leave shall apply for longevity advancement on the salary schedule provided a position is available and the employee is qualified.

2. Family Illness:

A leave of absence without pay up to one (1) year may be granted for the purpose of caring for a sick or injured member of the immediate family of an employee. Additional leave may be granted at the discretion of the board.

ARTICLE XII: WORK YEAR

A. Number of Contract Days

The contract work year is based on a 192 day work year. 180 days are teaching days.

B. Holidays

The regular contract of employees shall include six (6) holidays. Such holidays shall be: Labor Day, Thanksgiving, Winter Holiday, New Year's Day, Good Friday and Memorial Day.

C. Vacations

1. Thanksgiving, Christmas and spring vacations will correspond with the staff calendar each year when developed and approved by the Board of Directors.

D. Remaining Contractual Days

Six (6) contractual days shall be included in the regular contract of teachers. The six (6) days shall be divided into work days or inservice days.

E. Work Days

One work day will be provided at the beginning of the school year for teacher use in readying classrooms; one day in the first semester for parent-teacher conference compensation time; one work day at the end of first semester; one day in the second semester for parent-teacher conference compensation time; and one work day at the end of the school year.

Dates for parent-teacher conferences and compensatory time will correspond with the staff calendar each year when developed and approved by the Board of Directors, while taking into consideration the school calendar.

F. Inservice Days

One inservice day shall be held for administrative purposes at the beginning of the school year.

A committee made up of an equal number of teachers and administrators shall determine the inservice use of another day.

G. Discretionary Inservice

An additional two days for inservice may be provided at the discretion of the administration. These days are in addition to the regular contracted days. Teachers shall be reimbursed for these inservice days as if they were extended contracted days. The number of hours for each day and topic or topics inserviced shall be planned and carried out jointly by a committee made up of an equal number of teachers and administrators. No teachers shall be reimbursed for both Phase III work and regular district inservice for the same time period or inservice.

H. Days to be Made Up

Days missed due to inclement weather may be made up at the end of the school year. At the sole discretion of the administration, days missed may be made up on Saturday to prevent an unduly long year.

ARTICLE XIII: INSURANCE

Each certified employee of at least half time contract shall be eligible for an insurance allocation in the amount of Six Hundred Thirty Dollars (\$630.00) monthly effective July 1, 2007, from which the cost of single dental insurance coverage shall be deducted. Coverage shall be equal to or better than present coverage and offered to all eligible certified employees.

All certified employees of at least half time contract hired after March 1, 1999, shall be required to enroll in a minimum of employee medical coverage in addition to the single dental coverage, which shall also be deducted from the insurance allocation.

Any remaining sum shall, at the election of the employee, be applied toward employee medical (if not required under the previous paragraph, but elected by the employee), dependent medical and/or dependent dental insurance coverage premiums.

If no additional employee or dependent coverage is elected by the employee, the remaining sum may be applied to a 403B annuity purchased by the district for the employee in lieu of a wage benefit. This benefit must be obtained within the insured contract year and cannot be paid to the insurance or annuity company retroactively.

If less than 75% of the eligible group (certified employees) elect to take employee medical coverage, or, if in the opinion of the employer, the rate structure and viability of the group is adversely affected by participation level, deduction for medical coverage will become mandatory.

The carrier of said insurance or annuity shall be selected by the district.

Coverage shall be for the duration of employment. New employees shall be covered, if application is made timely, on September 1, or on the first of the month following or coinciding with their date of employment.

At the conclusion of board contributions, insurance benefits may be continued at the employee's own expense, subject to the conditions and regulations of the carrier and approval by the group policy owner.

In the event that more restrictive regulations or laws are enacted by the federal government, Iowa Legislature, or the Insurance Department of Iowa, during the 2007-2008 school year, nothing in this agreement will prevent the School District from complying with such additional regulations or laws.

Nothing in this agreement shall prevent the Association from forming their own group and dealing directly with an insurer, however, notice and approval must be first obtained from the administration.

ARTICLE XIV: HOURS AND LOAD

A. Employee Hours

1. Employees shall arrive at school one half hour before and not depart until one half hour after the students' day. As a general rule, student responsibilities will not start until 8:15 a.m. Arrangements may be made to flex or modify these hours on a case-by-case basis by notifying the principal of the circumstance.

B. Teaching Load

1. Whenever possible, all employees will be allowed approximately thirty (30) minutes duty-free lunch period.

2. Secondary School Employees

Each employee will have at least one preparation period daily. Employees may leave the building during this period. The principal will be notified in advance as to destination and duration. If this privilege is abused in the opinion of the building principal, permission to leave will have to be obtained in advance.

3. Elementary School Employees

Each employee will average at least thirty (30) minutes daily preparation time. Whenever possible, this preparation time will be continuous and within the students' day.

ARTICLE XV: COMPLIANCE CLAUSES

A. Compliance Between Individual Contracts and Comprehensive Agreement

1. Any contract between the Board and an instructional staff employee shall be subject to the provisions of this agreement during its duration.
2. Any individual contract between the Board and an employee heretofore or hereafter executed shall be subject to and consistent with the terms and conditions of the Master Contract unless provided for in Section A.3. of this Article.
3. An employee whose contract is held exclusively by the Van Buren School District, but who performs work for another district, agency, or institution as a part of their regular work assignment, may have variances from the terms of this Master Contract in employee hours and work year. Variances in employee hours shall be defined as hours worked beyond the 7-1/2 hour normal work day. Variances in work year shall be defined as days beyond the 192 day work year (or days not included in the school year calendar for district employees). Payment for such variances shall be on an hourly basis at one and one-half times their hourly rate. The increased hourly rate shall not apply to extended contracts.

B. Separability

Should any article, section, or clause of this agreement be declared illegal by a court of competent jurisdiction, then that article, section, or clause shall be deleted from this agreement to the extent that it violates the law. The remaining articles, sections, and clauses shall remain in full force and effect.

C. Printing Agreement

Copies of this agreement shall be printed by the Board after agreement with the Association of format within thirty (30) days after the agreement is signed. The cost for printing shared equally by the Board and Association. The agreement shall be presented to all current certified employees. The Board may provide the Association with five (5) additional copies if requested.

D. Notices

1. If by Association, to Board at Board Office;
2. If by Board, to Association at president's address.
